

- > Incorporates many of the learnings from Ventus and VeloCore Technology.
- > Features a new multi-material bias core improving overall consistency and feel.
- > Removed smaller plies of material and incorporated stronger, full-length materials creating a smoother, balanced profile.
- > Even lighter, lightweight models with improved stability were created through stronger and lighter materials in a multi-material bias core.

VISTA PRO

FOR EVERY GOLFER. FOR ANY SWING.

Completely redesigned for 2021, the Vista Pro line of woods offers fitters an updated and balanced profile in an easy-to-fit lineup that will accommodate every golfer and swing-type. Crafted with new designs and the latest materials, this performance-driven, flighted line delivers specific performance attributes based on weight and flex.
